

Mathematics - Number, money and measure
First Level MTH 1-07c

Through taking part in practical activities including use of pictorial representations, I can demonstrate my understanding of simple fractions which are equivalent.

Mathematics - Number, money and measure
First Level MTH 1-12a

I have discussed the important part that numbers play in the world and explored a variety of systems that have been used by civilisations throughout history to record numbers.

Mathematics - Number, money and measure
First Level MTH 1-13a

I can continue and devise more involved repeating patterns or designs, using a variety of media.

Mathematics - Number, money and measure
First Level MTH 1-13b

Through exploring number patterns, I can recognise and continue simple number sequences and can explain the rule I have applied.

Mathematics - Number, money and measure
First Level MTH 1-15a

I can compare, describe and show number relationships, using appropriate vocabulary and the symbols for equals, not equal to, less than and greater than.

Mathematics - Number, money and measure
First Level MTH 1-15b

When a picture or symbol is used to replace a number in a number statement, I can find its value using my knowledge of number facts and explain my thinking to others.
