

Mathematics - Shape, position and movement
Early Level MTH 0-16a

I enjoy investigating objects and shapes and can sort, describe and be creative with them.

Mathematics - Shape, position and movement
Early Level MTH 0-17a

In movement, games, and using technology I can use simple directions and describe positions.

Mathematics - Shape, position and movement
Early Level MTH 0-19a

I have had fun creating a range of symmetrical pictures and patterns using a range of media.
