

Numeracy - Number, money and measure
Third Level MNU 3-01a *

I can round a number using an appropriate degree of accuracy, having taken into account the context of the problem.

Numeracy - Number, money and measure
Third Level MNU 3-03a *

I can use a variety of methods to solve number problems in familiar contexts, clearly communicating my processes and solutions.

Numeracy - Number, money and measure
Third Level MNU 3-03b *

I can continue to recall number facts quickly and use them accurately when making calculations.

Numeracy - Number, money and measure
Third Level MNU 3-04a *

I can use my understanding of numbers less than zero to solve simple problems in context.

Numeracy - Number, money and measure
Third Level MNU 3-07a *

I can solve problems by carrying out calculations with a wide range of fractions, decimal fractions and percentages, using my answers to make comparisons and informed choices for real-life situations.

Numeracy - Number, money and measure
Third Level MNU 3-08a *

I can show how quantities that are related can be increased or decreased proportionally and apply this to solve problems in everyday contexts.

Numeracy - Number, money and measure
Third Level MNU 3-09a *

When considering how to spend my money, I can source, compare and contrast different contracts and services, discuss their advantages and disadvantages, and explain which offer best value to me.

Numeracy - Number, money and measure
Third Level MNU 3-09b *

I can budget effectively, making use of technology and other methods, to manage money and plan for future expenses.

Numeracy - Number, money and measure
Third Level MNU 3-10a *

Using simple time periods, I can work out how long a journey will take, the speed travelled at or distance covered, using my knowledge of the link between time, speed and distance.

Numeracy - Number, money and measure

Third Level MNU 3-11a *

I can solve practical problems by applying my knowledge of measure, choosing the appropriate units and degree of accuracy for the task and using a formula to calculate area or volume when required.
