

Sciences - Forces, Electricity and Waves
First Level SCN 1-07a

By investigating forces on toys and other objects, I can predict the effect on the shape or motion of objects.

Sciences - Forces, Electricity and Waves
First Level SCN 1-08a

By exploring the forces exerted by magnets on other magnets and magnetic materials, I can contribute to the design of a game.

Sciences - Forces, Electricity and Waves
First Level SCN 1-09a

I can describe an electrical circuit as a continuous loop of conducting materials. I can combine simple components in a series circuit to make a game or model.

Sciences - Forces, Electricity and Waves
First Level SCN 1-11a

By collaborating in experiments on different ways of producing sound from vibrations, I can demonstrate how to change the pitch of the sound.
