

Sciences - Planet Earth
First Level SCN 1-01a

I can distinguish between living and non living things. I can sort living things into groups and explain my decisions.

Sciences - Planet Earth
First Level SCN 1-02a

I can explore examples of food chains and show an appreciation of how animals and plants depend on each other for food.

Sciences - Planet Earth
First Level SCN 1-03a

I can help to design experiments to find out what plants need in order to grow and develop. I can observe and record my findings and from what I have learned I can grow healthy plants in school.

Sciences - Planet Earth
First Level SCN 1-04a

I am aware of different types of energy around me and can show their importance to everyday life and my survival.

Sciences - Planet Earth
First Level SCN 1-05a

By investigating how water can change from one form to another, I can relate my findings to everyday experiences.

Sciences - Planet Earth
First Level SCN 1-06a

By safely observing and recording the sun and moon at various times, I can describe their patterns of movement and changes over time. I can relate these to the length of a day, a month and a year.
