

Social Studies - People, place and environment
Second Level SOC 2-07a

I can describe the major characteristic features of Scotland's landscape and explain how these were formed.

Social Studies - People, place and environment
Second Level SOC 2-07b

I can describe the physical processes of a natural disaster and discuss its impact on people and the landscape.

Social Studies - People, place and environment
Second Level SOC 2-08a

I can discuss the environmental impact of human activity and suggest ways in which we can live in a more environmentally-responsible way.

Social Studies - People, place and environment
Second Level SOC 2-08b

I can consider the advantages and disadvantages of a proposed land use development and discuss the impact this may have on the community.

Social Studies - People, place and environment
Second Level SOC 2-09a

Having explored the ways journeys can be made, I can consider the advantages and disadvantages of different forms of transport, discussing their impact on the environment.

Social Studies - People, place and environment
Second Level SOC 2-10a

Having explored my local area, I can present information on different places to live, work and relax and interesting places to visit.

Social Studies - People, place and environment
Second Level SOC 2-12a

By comparing my local area with a contrasting area outwith Britain, I can investigate the main features of weather and climate, discussing the impact on living things.

Social Studies - People, place and environment
Second Level SOC 2-13a

I can explain how the physical environment influences the ways in which people use land by comparing my local area with a contrasting area.

Social Studies - People, place and environment
Second Level SOC 2-14a

To extend my mental map and sense of place, I can interpret information from different types of maps and am beginning to locate key features within Scotland, UK, Europe or the wider world.
