

**Technologies** - Craft, design, engineering and graphics contexts for developing technological skills and knowledge

**First Level TCH 1-12a**

**I explore materials, tools and software to discover what they can do and how I can use them to help solve problems and construct 3D objects which may have moving parts.**

**Technologies** - Craft, design, engineering and graphics contexts for developing technological skills and knowledge

**First Level TCH 1-13a**

**During practical activities and design challenges, I can estimate and measure using appropriate instruments and units.**

**Technologies** - Craft, design, engineering and graphics contexts for developing technological skills and knowledge

**First Level TCH 1-14a**

**Through discovery and imagination, I can develop and use problem solving strategies to construct models.**

**Technologies** - Craft, design, engineering and graphics contexts for developing technological skills and knowledge

**First Level TCH 1-14b**

**Having evaluated my work, I can adapt and improve, where appropriate, through trial and error or by using feedback.**

**Technologies** - Craft, design, engineering and graphics contexts for developing technological skills and knowledge

**First Level TCH 1-15a**

**I am developing an interest, confidence and enjoyment in using drawing and colour techniques, manually or electronically, to represent ideas in different learning situations.**
